A close-up view of a wall covered in stacked stone tiles. The tiles are rectangular and arranged in a staggered pattern. The colors range from light tan and beige to dark brown and charcoal grey, with some tiles showing natural stone textures and veining. The overall appearance is rustic and textured.

320 A

The image shows a close-up of a brown, tufted leather surface. The pattern consists of a grid of diamond-shaped sections, each with a central button or tuft. The leather has a smooth, slightly glossy finish, and the lighting creates subtle gradients of brown across the surface, highlighting the texture and the shadows between the tufts.

320 B

320 C

320 D

The image shows a close-up of a dark green, tufted leather surface. The pattern consists of a grid of diamond shapes, each formed by four lines meeting at a central point. At each of these central points, there is a small, circular tuft or button. The leather has a smooth, slightly glossy finish, and the lighting creates subtle gradients of green across the surface, highlighting the texture and the three-dimensional quality of the tufting.

320 E

1005 A

The image shows a close-up of a wall covered in stacked stone tiles. The tiles are rectangular and layered in a staggered pattern, creating a textured, three-dimensional appearance. The color palette is earthy, featuring various shades of grey, taupe, and brown. The lighting is even, highlighting the natural grain and irregular edges of the stone.
